Start and End Times:

Middle School courses start @ 8:05 and our day ends at 3:25

High School courses start @ 7:40 and end at 3:10

Students should arrive early to give them time to move through security.

Unless staying for an after-school activity, students should be prepared to exit the building at dismissal.

The School Office closes at 4 pm every day. Following 4 pm, there are not staff in the building to supervise students.

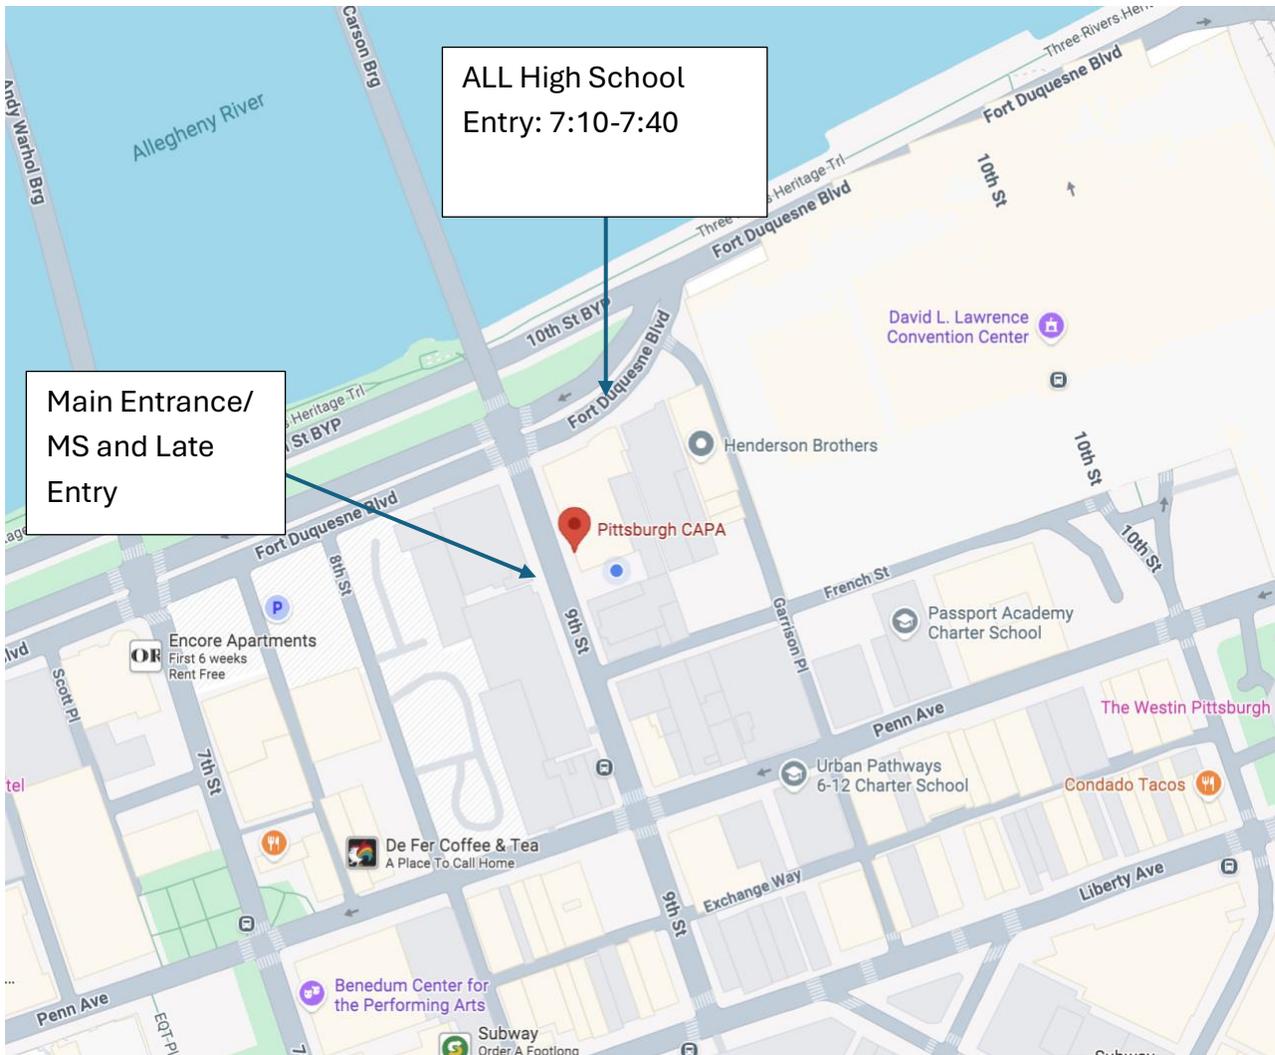

Bag Search and Sign In:

Upon entry, all students will sign in using their student IDs. In cases where students forget or do not have a working ID, students can sign in manually. Student sign in will be utilized both for security purposes and to improve the accuracy of student attendance and late arrival.

All students pass through a metal detector while entering. Students may be asked to remove personal items that are setting off the detector.

While staff make every effort to search bags as efficiently as possible, reducing the number of bags students carry assists in speeding up the process.
