

# CALENDAR FUNDRAISER

We are excited to launch our Fall 2020 Calendar Fundraiser from Tempo Club! This fundraiser not only helps the Fairfield City School's music students, but could also help the YOU to win up to \$3800. That's correct. This fundraiser may help YOU!

How does it work? **IT'S SIMPLE.**

1. Sell a calendar to someone you know (even yourself) for \$20.
2. Have the purchaser legibly fill out the bottom slip on the calendar.
3. Be sure to complete the seller information section (name, school, and group [band, choir, or orchestra]).
4. Cut off the bottom and return the slip and money to your music teacher **in a sealed envelope**. Checks are preferred and should be made out to Tempo Club.
5. The slip goes into a raffle to win cash prizes **EVERY DAY** in November.
6. Each day beginning November 1<sup>st</sup>, a name is drawn to win the prize on that day. (Check the calendar each day for the prizes.)
7. The winner will be announced on the Tempo Club Social Media outlets as well as being notified by phone/email.
8. Names continue to be in the drawing each day even if they have already won. There is a possible chance to win \$3800 if your name is pulled every time.
9. **BONUS:** Whichever student sells the winning tickets on the \$500 days will win \$100 themselves in the form of a Visa Giftcard!

We are asking for each music student to sell 5 calendars to family, friends, teachers, co-workers, etc. What could be better? A donation to a fabulous music program with a chance to win money?! That's awesome! **The more you sell, the more chances to win!** Drawings begin November 1<sup>st</sup> and go the entire month. All purchased raffles must be turned in by October 31st! No late entries will be accepted. Be sure to check social media for the winners and make sure names are written clearly on the slips so they are easy to read.
