1 PIECE MINIMUM GIFTING GUIDE

Table of Contents

In a year like this - filled with uncertainty and change on a level we've never experienced before – how do you say thank you for everything you've done? How do you recognize the personal sacrifice, the fearlessness and unwavering optimism of those who have ridden this journey alongside you?

May we suggest a return to the simple thoughtfulness of old? One gift, designed for one person, with a message specific to the unique bond that links you together.

That's the magic of bespoke gifting.

This one-piece-minimum publication is designed to be your guide in this process; to help you effortlessly craft your singularly focused gift, with a singular message, on a budget that reflects that singular mission. It's a truly personal way to say *thank you*.
