

Shep Nachas!

What is the biggest form of nachas? When one has a vision, executes an idea or is part of a movement, and sees others following their lead.

Baruch Hashem we have begun the third year of the **Amud-A-Week** program throughout the St. Louis area with shiurim in four shuls, many sets of chavrusa's learning "the Amud," and scores of others being involved through the video shiurim.

We hope, with G-d's help to have a podcast up-and-running (in place of the app...) which will facilitate more involvement in a smoother way.

Now for the nachas. Beginning this Sunday, the Greater Washington Community Kollel has brought the "**Amud-A-Week**" program to their community. As they say, "Imitation is the sincerest form of flattery" and we all ought to be quite proud of seeing "the fruits of our labor'!
