

## What would you want to say to HART supporters?

**First and foremost, I am deeply grateful to every person who stands with us.**

I want to express my deepest gratitude for your financial support. Your donations make a significant impact. You help ease suffering, bring joy, and, most importantly, guide people toward the Lord. May God bless you for your generosity and commitment to this cause.

Despite living in peace, where children go to school, supermarkets are open, and life carries on as normal, **you choose to think about us.** Instead of simply enjoying the comfort of your homes, you care, you act, and you give. That, to me, is the mark of God's people. **I bow low to you in gratitude.**

Secondly, I urge you—**do not forget that evil never sleeps.** It seeks to capture hearts and minds, lulling people into complacency before overtaking them. The Bible tells us to stay alert and be watchful. The suffering in our country is the direct result of Russian aggression, but spiritual battles are being waged everywhere.

Evil doesn't only manifest as war; it seeps into societies, into thinking, into souls. Please, remain vigilant. Fight against evil in all its forms.

And finally, **love the church.** The church is God's living body on earth, a gift beyond measure. Through it, we grow. Through it, we find His answers. Love it with all your heart, soul, and mind, because by loving the church, we love Christ.

May God bless you all.
