

Kherson Light of the Gospel Church

Helping Kherson

The material hardships facing the people of Kherson is real, so it is a tremendous blessing when this help comes directly through the Church. Unemployment, constant danger, and an uncertain future are the heavy burdens people carry, and it is vital that they find answers to these struggles within the church walls.

At this outreach service – **which we were able to host thanks to HART supporters** – we shared the message of God's love and how to become a child of God. The people of Kherson are deeply grateful for the support. Most importantly, after every service like this, attendance across the active churches in the city continues to grow.
