

# Personal Protective Equipment Training for Businesses

*In Response to COVID-19*

## OVERVIEW

NCCC's Workforce Development Department will hold training for businesses throughout Western New York to prepare for reopening. This awareness level training is geared for employees that will be returning to the workplace and may be responsible for the cleaning and disinfection of their work space.

## COURSE OBJECTIVES

- ✓ Raise the awareness of COVID-19 with factual information and simple steps that employees can take to avoid spreading the disease within the workplace or at home.
- ✓ Provide interactive web-based training with ample opportunity for students to engage in informative Q&A's.
- ✓ Learn from instructors who are all safety certified trainers and are up-to-date on regulatory changes issued by the CDC as well as NIOSH.

## SCHEDULE

Presentations are industry specific and will begin with courses aimed specifically towards Manufacturing:

<b>May 27th</b>	8:00am – 10:30am
<b>May 27th</b>	1:00pm – 3:30pm
<b>May 28th</b>	8:00am – 10:30am
<b>May 28th</b>	1:00pm – 3:30pm

**Cost:** \$40 per person
