Caswell's middle school, high school, and college students are invited to apply as a Founding Member of Caswell's Youth Council to cocreate a diverse county-wide youth council intended to:

- Provide a collaborative space for local youth to guide the promotion & development of youth programming across the county.
- Offer capacity & support to local youth who wish to improve the health & well-being of Caswell County through the acts of learning & leading, together, as a community.
- Create opportunities for local youth to engage with community leaders & government officials, creating a continuous feedback loop.

**Caswell Youth Council members will:**

1. Serve as informers and decision-makers in matters regarding the health & well-being of our community.
2. Develop collaborative leadership skills through practice in civil dialogue & cocreation.
3. Explore & develop career & educational opportunities through networking, workshops, & training opportunities.
4. Be compensated for their work, and experience.
