## *Online Job-Readiness Training*

### What is TechSF?

TechSF is a workforce initiative funded by the San Francisco Office of Economic and Workforce Development. It provides access and educational opportunities to job-seekers and then connects those talented individuals to technology jobs in all sectors. Within TechSF, the Goodwill Comprehensive Access Point (CAP) offers Job Readiness Training (JRT) for individuals interested in acquiring soft skills and exploring job opportunities in the technology sector

By enrolling in TechSF JRT, you will have the opportunity to directly connect with Tech Sector employers through exposure and networking events.

Eligible participants receive all TechSF services and training at no cost. Through TechSF, hundreds of qualified workers have started new chapters at Google, Salesforce, LinkedIn, Twilio, Adobe, Twitter, Facebook, Okta, Macy's, UCSF, and SFO.
