Fourth Annual

# Celebration of Learning

May 8, 2025, from 4:00pm-6:45pm @ WDMS

**What is a Celebration of Learning?** Celebrations of Learning are more than a display of student work and more than a party at the end of the year. A Celebration of Learning compels students to reflect on and articulate what they have learned, how they learned, questions they answered, research they conducted, and areas of strength and struggles.

Celebrations of Learning are powerful opportunities to make learning public. A Celebration of Learning includes: *high-quality work, an authentic audience, communicating learning, and student reflection.* Celebrations of Learning also open the door for meaningful conversations among families, students, and teachers about standards and achievement.

**When will the Celebration of Learning be held?** This year's Celebration of Learning at WDMS will be held **Thursday, May 8, 2025**. The event will run from **4:00pm and will end promptly at 6:45pm**. All grade levels and encores will be participating.
