

Positive actions recognized at WDMS

This school year, students at Wisconsin Dells Middle School have been introduced to many new systems, one being our “Blue Card” system. This system is part of our larger school-wide plan to promote positive behavior and to **Connect, Inspire, Achieve, with Everyone, Every day.**

Students can earn these cards for demonstrating different core values like:

- **Wisdom,**
- **Determination,**
- **Mindfulness,** or
- **Safety.**

Students are recognized by their teachers for our Blue Cards. Every week, winners are chosen and they receive a Wisconsin Dells t-shirt. So far this school year, we have chosen twenty-plus students who have demonstrated these values. Keep up the great work students, we are so proud of all of your positive behaviors and accomplishments!
