Friends of the Library Book Sale

Friday, June 6 & Saturday, June 7 from 9am to 5pm

Do some shopping and get ready for summer reading!

Tuesday, June 10 at 2pm—Scales, Scutes, and Skins presented by Upham Woods Environmental Learning Center

Explore the world of wildlife at the library and learn about the adaptations of reptiles and amphibians while dispelling common myths and possible fears about them through hands-on experiences with live animals.

Thursday, June 19 at 2pm—Family Zumba with Erika

Get active on this Thursday afternoon with music, movement, and dancing to a variety of rhythms, music styles, and beats. This program is fun for children and the whole family.

Monday, June 30 at 2pm—Dragon Training Academy

Watch as inventor & time traveler Brock Barnabas visits the present time to recruit some adventurous kids to travel back to the Medieval times. They train to help deal with an overpopulation of dragons! Kids are trained to both defend against and tame down dragons using Brock's amazing science-based inventions and techniques. Enjoy this interactive and adventurous show!

Wednesday, July 9 at 2pm—Community Helpers Day

Meet and get to know real-life community helpers such as police officers, firefighters, emergency medical technicians, waste removal workers, farmers, tow truck operators, and librarians, along with all their hard-working vehicles. Our community helpers will be parked on Cedar Street behind the library. They are excited to meet you and tell you how they help our community! Crafts and activities are available in the library, too. Don't miss this fun and informative celebration of our hard-working helpers!!

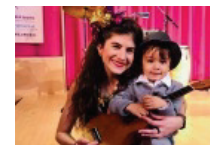

Tuesday, July 15 at 2pm—Author visit with local author Amy Laundrie

Meet local author Amy Laundrie, learn about her survival book **Stranded on Castaway Island**, and participate in various hands-on "Survival Stations." Make a fishing pole from debris washed up on shore, listen to a conch shell for a science lesson, build a miniature shelter, play a game, and more.

Thursday, July 24 at 2pm—Angela Puerta Musical Performance:

Join us for an interactive and educational performance where people from all ages can borrow small instruments, sing along, and even learn basic Spanish while exploring the vibrant world of traditional Colombian music and Latin rhythms like cumbia, salsa, and merengue.

Friday, August 1 at 1pm—Meet the Mascots

Join us in welcoming college mascots from all over the Midwest including Wisconsin's very own Bucky Badger! There will be music and dancing and lots of fun. Bring your own camera for great photo opportunities with the mascots. Picnic Lunch and Activities at 12:30 p.m. Mascots arrive at 1:00 p.m. Be ready to party!

Thursday, August 7 at 2pm—Patterns in Nature - presented by Wis. Dept of Natural Resources

Nature is full of patterns- they can be as big as the changing seasons or as small as the tiniest details on a leaf. You see patterns in animals, plants, weather, and even the sky! Join the naturalist from Devil's Lake State Park to discover natural patterns and learn not only to see these patterns create beautiful designs but also have a purpose!

Friday, August 15 at 11am—Science Heroes and Summer Reading Program Finale

Don't miss our summer finale with the *Science Heroes*. Through hands-on experiments and fun, interactive stories, they get kids excited about the science that's all around us as we celebrate the scientists who **color our world with art!** We will also have our Summer Reading Program Finale and pick prize winners! Be there for sure!!
