To encourage our children and youth to read books from our FUMC library, our UMW is sponsoring the Children and Youth Reading Program for 2019. Our library has many books for children and youth and a computerized checkout system that is easy to use. Drop by our library yourself to see this children and youth section.

HERE'S HOW THIS YEAR'S READING PROGRAM WORKS:

Read as many books as you can from the FUMC Library* *during the months of **MAY** through **JULY 2019**. (Try to read 7, 10, 15, or more, but read no fewer than 5.)

Books may be read to children ages 2-6.

CHILDREN and YOUTH ages 7-18 may read the books themselves.

List all books read from the FUMC library on the reporting form, and return the completed form (on reverse side) to Carol Steele, Program Resource Coordinator for FUMC UMW no later than Sunday, August 4, 2019. You may also leave the form in the marked plastic tray in the church library (RFM. 116).

Each child who reads and turns in a form by the reporting date (8.4.19) will receive a READING CERTIFICATE and a Barnes and Noble gift card from UMW on Children's Sunday in August 2019 during the worship service.

CHILDREN AND YOUTH

* Some Children and Youth books in the FUMC library are also on the NC Conference UMW Reading Program. These books are specially marked with blue tape on the spine, so you will be able to identify them. You will receive special recognition for reading at least 5 of these specially marked books.
