

## **Panda Movers Rock!**

On October 19, a team of 6 volunteers from First United Methodist Church, Graham showed up to serve our food ministry at South Graham Elementary School! Together, we moved 80 boxes of backpacks from the delivery truck into the Food Pantry Trailer at the school. We are now stocked through February of 2019!

Special thanks to Eric Sherer and Roger Jones for driving the rental truck to the Second Harvest Food Bank in Winston-Salem and picking up the backpack order. Our sincere thanks to Eric Sherer, Roger Jones, Eric Allshouse, and Charlie Carrico for lifting and hauling, while Linda Fogleman and Anita Sherer sorted and marked the boxes. Great teamwork! Panda Movers Rock!

Praise the Lord for the good work being done at South Graham by these volunteers and so many others. Because of the generosity and faithfulness of our church family, we can serve up to 50 children each week, ensuring that these students not go hungry on the weekend. Thank you to all! God is good all the time!
