MERCY'S VESSEL PARTNERS
HELP US GO

Brothers and Sisters,

Gideon had his army of 300 and accomplished the impossible; God has given me a vision to raise a cadre of 500 MVPs at 50 cents/day (\$15/month) to help fund the operating cost of

MERCY'S VESSEL, *The Gospel Ship*.

Would you prayerfully consider becoming one of our partners in this work of spreading the Gospel and providing medical care to those in need? A cadre of 500 partners will meet the fuel requirements for at least two missions per year and allow us to stockpile fuel to respond to natural disasters. Every dollar given will be used to buy diesel fuel, oil, filters or pay repair costs. Not one dime goes to overhead. As it says in **Zechariah 4:10** "For who hath despised the day of small things?..." Most people can easily give \$15/month..it is such a small amount that you may think it won't make a difference, but when combined with many others, it will fuel this ship to carry the Gospel message to lost and hurting people, and provide much needed medical, dental, and vision care.

We are praying that the ship will be **Ready To Sail** later this year, and are planning our shake down cruise shortly thereafter. Gulfport, Mississippi appears the most likely home port for us once the ship is finished. We already have wonderful supporting churches and ministries in this area, including laymen with sea experience to help us. God is so good! The pieces of this puzzle are coming together quickly.

Donations are tax deductible and receipted. Thank you for your consideration. Please pray and ask the Lord if this is something you should be part of. Just do as the Lord leads you. And please keep us in your prayers!

Keep up with our progress as the ship takes on a whole new life at www.mercysvessel.com.

Serving HIM Joyfully,

Buddy and Mary Puryear
