

ANNOUNCING

THE 11TH ANNUAL CHILDREN AND YOUTH FUMC-G READING PROGRAM FOR 2018

Sponsored by the United Methodist Women of First UMC, Graham, NC

The United Methodist Women are once again sponsoring The Reading Program for **2018**. We are encouraging our **CHILDREN AND YOUTH** to read books from our FUMC library. The library has many books for children and youth and a computerized checkout system that is easy to use. Drop by our library yourself to see this children and youth section.

Here is how this year's reading program works:

Read as many books as you can from FUMC Library* during the months of **MAY** through **JULY 2018**. (No fewer than 5, but try to read 7, 10, 15 or more.)

Books may be read to children ages 2-6.

CHILDREN and YOUTH ages 7 - 18 may read books themselves.

List all the books read from the FUMC library on the reporting form and return the completed form (on reverse side) to Carol Steele, Program Resource Coordinator for FUMC UMW no later than Sunday, July 29, 2018. You may also leave the form in the marked plastic tray in the church library.

Each child who reads and turns in a form by the reporting date will receive a **READING CERTIFICATE** and a Barnes and Noble gift card from UMW on Promotion Sunday in August 2018 during the worship service.

*Some Children and Youth Books in the FUMC library are also on the NC Conference UMW Reading Program. These books are specially marked with blue tape on the spine, so you will be able to identify them. You will receive special recognition for reading at least 5 of these specially marked books.
