This is the last round of "drop ins" that will take place. After the dates listed above, any employee without a new ID will need to make an appointment with HR.

### CURRENT JOB POSTINGS

- RBT position (details [here](#))
- DSPs, CNAs (all shifts)

### MAKE A REFERRAL AND EARN UP TO \$1,000!

Full-time and part-time employees (outside of senior management, HR, or hiring managers/supervisors) can refer someone to Misericordia - just ask them to apply.

A successful referral can result in you earning up to \$1,000 over the course of the first year of employment for the referred employee - as long as YOU are in good standing. Further details regarding the Referral Bonus Program can be found on ADP or at HR.

### REVISED MASKING PROTOCOL FOR COMMUNITY TRANSMISSION LEVELS

In case you missed it, please refer to the Community Transmission Update published [here](#) in last week's Campus Connections.

**The community transmission level data is based on information gathered from lab-based tests. Due to the increased usage of over-the-counter tests, we feel this level is lower than what we are experiencing. For these reasons, we ask that all staff continue to wear surgical masks while working. McAuley will also continue to wear N95/KN95 masks.**

Please see your supervisor if you have any questions.

### COMING NEXT WEEK LISTENING SESSIONS

As promised, we would like to move forward in our efforts to gain insight and hear your thoughts regarding your overall work experience. We will be hosting several listening sessions which will be open for all to attend. [Click here](#) to learn more. Please see your Supervisor for date options.

### MISERICORDIA'S LEADERSHIP SERIES COMING SOON

Misericordia is excited to announce its new leadership series that will be offered to all management staff in the organization beginning in February. This will be a monthly opportunity that will offer learning around intentional leadership topics to help all managers in their role. Please stay tuned as more information is to come!
