Bloom
HELP. HEAL. HOPE.

2025 IMPACT REPORT

6,578
safe nights of sanctuary and healing for 26 survivors and 10 children

2
new graduates from our 2-year residential program

When I first came to Bloom, I was carrying the weight of what exploitation had taken from me, my sense of safety, trust, and self-worth. My life had been shaped by pain, shame, and survival, but God met me in that place. He used Bloom as the vessel to help me heal and discover the woman He created me to be. At Bloom, I found safety, structure, and people who believed in me long before I believed in myself.
