### Manufacturing of PPE

- Specific to the manufacturing of PPE in response to the COVID-19 outbreak, the FDA is interested in hearing from manufacturers who may be able to help mitigate potential shortages of PPE by increasing U.S. availability of such devices. These manufacturers may email FDA at [deviceshortages@fda.hhs.gov](mailto:deviceshortages@fda.hhs.gov), which is closely monitored and has proven to be a valuable resource thus far in helping FDA mitigate potential supply chain disruptions.
- To facilitate a rapid response to such inquiries, please go to the link below to get additional information and to see an example of information that FDA would find helpful to have initially. <https://www.fda.gov/medical-devices/personal-protective-equipment-infection-control/faqs-shortages-surgical-masks-and-gowns>
