

EFFECTIVE IMMEDIATELY:

CAC is discontinuing the use of the Washington County Food Bank card to receive food from CAC's food pantry.

- The process to apply and receive food from CAC's food pantry will remain the same, minus receiving and presenting the card.
- Washington County residents who wish to apply to receive food from CAC's pantry on a monthly basis will still be required to apply annually and meet eligibility requirements.
- Tracking of the monthly receipt of food from CAC's pantry will be handled internally by CAC staff.
- The other pantries who participated in the Washington County Food Bank Card will have their own requirements for receiving food from their pantries.
- When receiving monthly food from CAC, clients will be required to provide their photo ID which must match the name on their approved food pantry application.
