ABOUT US

In 1952, Congress established an annual day of prayer and in 1988, that law was amended, designating the National Day of Prayer as the first Thursday in May. The National Day of Prayer-Frederick exists to help mobilize unified public and personal prayer, to communicate the need for personal repentance and prayer, and to mobilize the Christian community to intercede for America's elected leaders. As part of the National Day of Prayer-Frederick, the Youth Prayer Rally is a platform for a student-led activity to encourage area youth to publicly pray for our local, state, and national government.
