Rev. Rickey A. Smith, Sr., Pastor

Greetings,

Zion Baptist Church of Hagerstown, Maryland, led by Pastor Rickey A. Smith, Sr., is excited to announce the 4th Annual Community Health Summit, scheduled for **Saturday, May 9, 2026, from 10:00 a.m. to 2:00 p.m.** Hosted by the ZBC Health and Fitness Ministry under the guidance of President Linda Brooks, the event will be held in the parking lot on Jonathan Street, next to the church. If inclement weather arises, the summit will be moved to **Saturday, May 16, 2026.**

This year's theme, "Hope in Healing ... Experiencing the Journey, Dealing with the Struggles of Addiction & Mental Health," highlights our commitment to supporting those facing addiction and mental health challenges.

This collaborative event will unite healthcare providers, behavioral health specialists, community organizations, faith leaders, and local residents to promote awareness, share prevention strategies, and facilitate access to vital recovery resources.

The summit will offer educational discussions, opportunities to engage with community resources, and direct connections between providers and individuals or families seeking services. We warmly welcome your involvement through resource tables, informational materials, or professional participation.

Your expertise and presence will significantly strengthen our shared mission to advance mental health awareness and substance use recovery support in our community. We invite you to consider joining us as a speaker or vendor for this lively event, which will feature music, food, entertainment, and the chance to make a meaningful difference in someone's life. This free event will be widely promoted throughout Hagerstown, and we anticipate a large turnout of participants seeking assistance and educational resources for themselves or their loved ones.

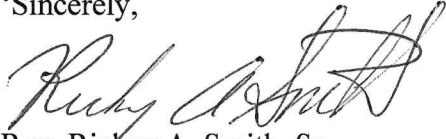

*Greater love hath no man than this,
that a man lay down his life for his friends.*

John 15:13

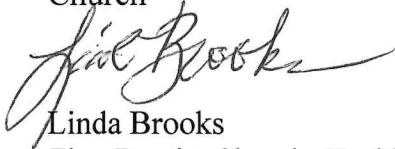

We look forward to partnering with you for a successful Health Summit.
