

# SESSIONS

## ENGAGING EMPLOYEES

Engaging Employees to optimize a safe productive culture for business success. This session is designed to be INTERACTIVE with all attendees, whether focused on safety, productivity, quality or administrative endeavors.

## ACCOUNTABILITY

Everyone should be held accountable for safety. Specific responsibilities for implementing safety need to be clearly defined at all levels, communicated, and reinforced.

## EMPOWERMENT

Involving employees in the planning & decision making will improve communication, trust, & promote a positive safety climate.

## OSHA Q&A

Open discussion with the local Area Directors to improve communication & gain a better understanding of OSHA enforcement.
