I'm honored to share that I've been awarded the **United States Department of War Science, Mathematics, and Research for Transformation (SMART) Scholarship**, sponsored by **Naval Surface Warfare Center Carderock Division (NSWCCD)**!

Through the **SMART Scholarship**, I will continue my education after graduating this May with my B.S. in Mechanical Engineering in Virginia Tech's accelerated master's program in Ocean Engineering in the **Kevin T. Crofton Department of Aerospace and Ocean Engineering at Virginia Tech**. I'm excited for the opportunity to pursue my master's degree while preparing to contribute to our nation's security.

I'm grateful to my mentors, **Darshan Sarojini**, **Dr. Lakshmi Madhavan Miller**, and **Matt Nowinski** at Virginia Tech, for their guidance and support in helping me reach this milestone.
