

Treasurer's Financial Update June 2025

Joan Reynolds, Treasurer

The GBCRA financial status has remained consistently solid over the past year and there is little new to report since the last newsletter update of April, 2025. Currently the balance is relatively unchanged and stands at \$15,994.

Most of GBCRA's recent financial activity has been directed to payments for recent and upcoming events, particularly Stratford Theatre outings as well as for presentations taking place over the summer months.

We have not yet had confirmation of the GBC annual \$4000.00 grant but our healthy bank balance assures the initiatives we are planning to launch will be affordable as we move forward.
