CTTT-RVA
Fundraising Corner

Money makes the world go round – or so they say. Coming To The Table - RVA is a 501(c)(3) nonprofit organization funded by generous people like you who find it in their hearts (and their wallets) to support this important work of opening lines of communication, healing the wounds of our past and building a just society. Some make periodic one-time donations when an event speaks to them, and some sustaining donors contribute monthly via Paypal.

We are recently grateful to the Bob and Anna Lou Schaberg Foundation for their generous donation of $15,000. This money will be used to build capacity within our team, as well as add to the team, and provide training for our frontline facilitators and ambassadors.

We have also been the recipients of individual Facebook Birthday events – two of them totally over $2,000 each! We have a step-by-step tutorial if you are interested in setting up your own Facebook fundraiser to benefit the ongoing work of CTTT-RVA.

Currently we are working on applying for grants through Dominion Energy, the Community Foundation of Greater Richmond and Virginia Humanities. Many businesses in Richmond have employee matching gift programs. If your business has one of these and you would like to support CTTT-RVA in that way, please **contact Leslie** to discuss the possibilities.
