$10,000 cash RAFFLE

Info Packet

A letter to our families

We are excited to offer our students a physically distanced virtual solution to sell tickets for this year's $10,000 Cash Raffle fundraiser. Each year, this fundraiser is one of the most popular with our students and parents, with the opportunity for students to win rewards while generating excitement as one lucky ticketholder wins a $10,000 cash prize!

All proceeds from the ticket sales are used to support the Académie Lafayette Annual Fund, which helps raise funds to bridge the gap between what we receive in public funding and the financial requirements of running our school. If every student sells a minimum of 20 tickets at $5 each, the school raises approximately $120,000 to be used toward our general fund, which includes our families in need, nurses, technology, social workers, faculty, supplies and so many other things that give teachers and staff the resources they need to do their jobs, while maintaining focus on their students and achieving the school's mission.

Even though we do ask our families to participate, it's important to know that participation is not required.

Our community has been adapting well to change through this pandemic, and we hope that the virtual solution for this year's raffle allows our students to continue the tradition of learning the importance of fundraising through the fun of competing for prizes and rewards. Whatever is raised, we pledge to use it wisely to further our mission, serve our students, and continue to open wide the Académie Lafayette doors to the families of Kansas City.
