

## Academie Lafayette Spring Class sessions are now **ONLINE**

Due to school closings and recommended social distancing, we be offering your child's favorite art class - online.

If you have already enrolled in our spring class, you will automatically receive our online spring classes (6 lessons).

**All others can enroll now! Click below** to enroll and then keep an eye on your email. Classes will be delivered weekly and will provide the same high quality art instruction as our in-person classes. The link you will receive gives you access to one online lesson each week that you can view, pause and view again over several days at your convenience. Very flexible!

We'll miss seeing your child each week, but we're happy to offer this online class to keep us all activity engaged during our time at home.

Enrollment is open.

Once enrolled, online lessons will be sent to your email starting Monday March 30th.
