The AL Diversity Committee invites you to a virtual conversation about race and racism

Tuesday, September 29, 6:00-7:00 PM.

Topics will include terminology related to diversity, equity & inclusion, as well as a deep dive into unconscious biases.

The Diversity Committee is developing plans to engage teachers, board members, and students in conversations around diversity, equity, & inclusion (DEI) and would now like to extend the conversation to our broader parent community. The committee plans to host one discussion each month for the next few months.

Please RSVP if you plan to attend.  
The link for the meeting will be sent by email.
