Annual \$10,000 Cash Raffle

September 4th - October 31st

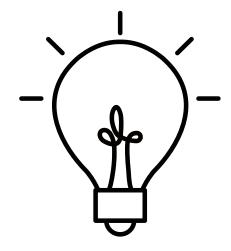

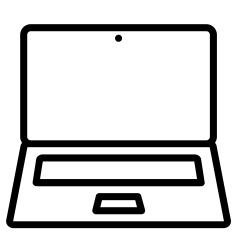

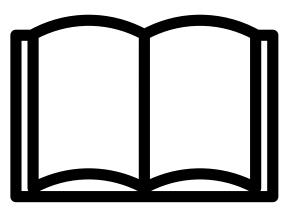

Why we raffle

We do this every year and it's a great way for each of you to win prizes while helping raise money for the school!

You sell tickets for \$5 each, and everyone you sell a ticket to gets entered into a drawing to win \$10,000!!!!!

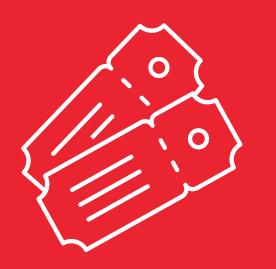

Going virtual

The 2020 annual raffle will be completely virtual, so no worries about turning in tickets or money in person.

With the use of Rafflecreator.com, everyone can access the profile to purchase as many tickets as they can in just a few clicks.

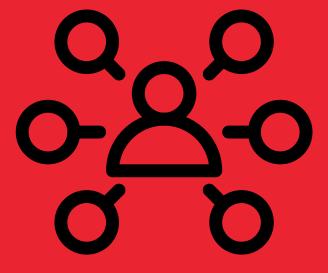

How can you share to your friends, families, and community to compete to sell the most tickets overall?

Going virtual

Scanning the QR code to directly link to the raffle website

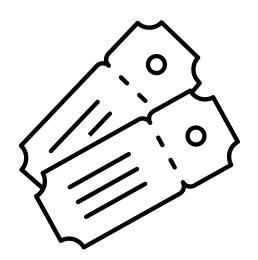

Networking with friends and family all across the country

Sharing the raffle page link through social media, texts and email

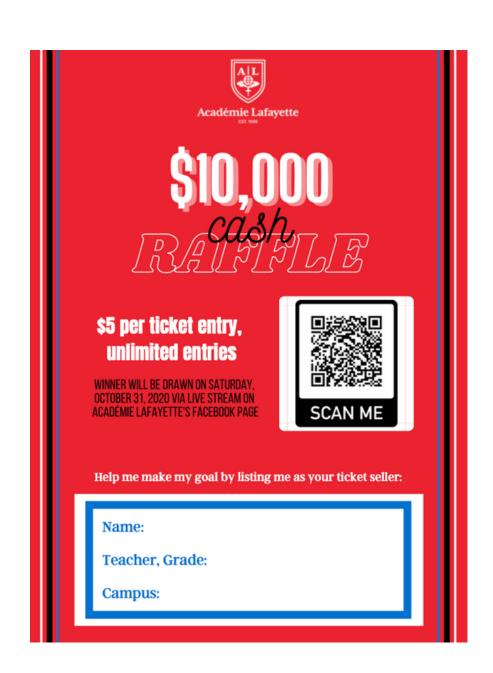

Going virtual

The student's parent/guardian will receive an email Friday with four things:

- Informational packet with every detail and rule
- An optional personal promotion poster (right)
- A copy of the QR code image
- This presentation

While in the past we have coordinated with local businesses to allow students to sell tickets at these locations, we are providing this virtual solution to eliminate the need for in-person contact in response to the current pandemic. Académie Lafayette does not require, recommend or encourage storefront or in-person solicitations by students/families.

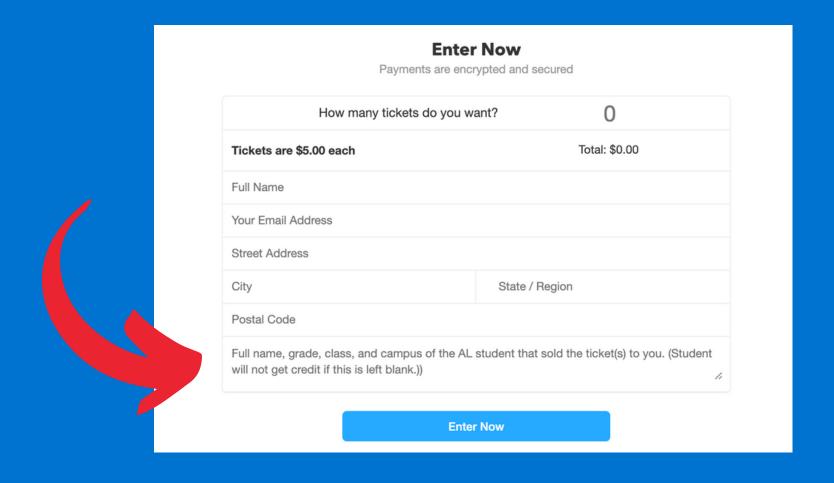

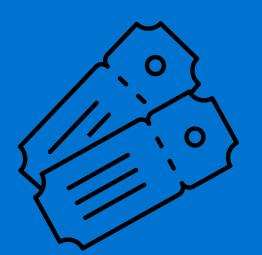

Don't forget!

However you decide to sell, don't forget...

Make sure that your buyers put in your information, otherwise you will not get credit!

What you really care about

.... the prizes, duh!

minimum of 5 tickets sold per week

Weekly Winner

Due by Friday at 10a every week

Every Friday, there will be a weekly winner announced in the newsletter.

You must submit at least 5 tickets to be entered, and the prizes are random every week and will not be the same.

minimum of 20 tickets sold

Early Bird

Due Monday, September 28th

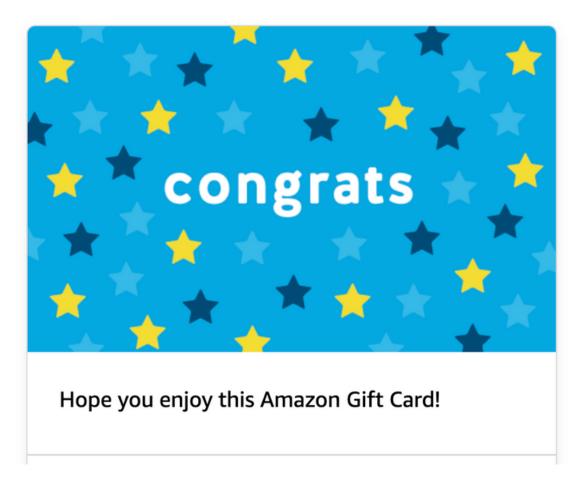

An exclusive AL t-shirt!

... And you'll be entered in a drawing to win a Nintendo Switch on Wednesday, September 30th.

minimum of 40 tickets sold

\$50 Amazon gift card

Due Friday, October 2nd

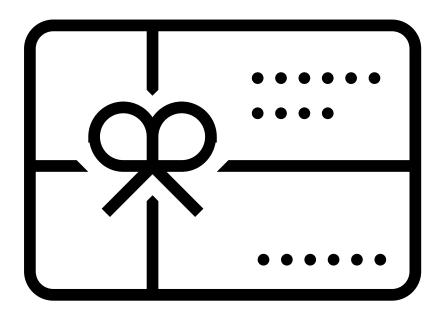

Once you sell 40 tickets
before October 2nd
you'll get a \$50 Amazon gift card.

minimum of 80 tickets sold

Top Seller per Grade

Due Monday, October 26th

The top selling student in each grade across all campuses will win a \$100 Visa gift card.

minimum of 120 tickets sold

Third Place Overall

Due Monday, October 26th

Third place overall student will win AirPods with charging case.

minimum of 120 tickets sold

Second Place Overall

Due Monday, October 26th

Second place overall student will win an AppleWatch Series 5.

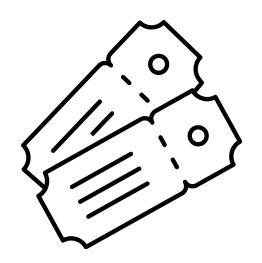

minimum of 120 tickets sold

First Place Overall

Due Monday, October 26th

First place overall student will win a 10.5 inch iPad Air.

Please note

When winning prizes, no student will win more than one top prize. If earned, they will win the top prize, and we will go down the line of students who also qualify for descending prizes.

Ex. Julie is in 8th grade and wins top seller overall, scholarship, and top seller for her grade. She will only receive top seller overall because it's the most valuable. From there, we will take the second place for scholarship, and the second place for grade, and so on as long as there are students to qualify for those prizes.

All prizes other than the t-shirts and \$50 Amazon gift cards will need to be signed for by a parent or guardian. We do not reissue or reinstate prizes if they are lost or misplaced.

The raffle website will close on Friday, October 30th at 4 pm CST, and the winner will be announced on Saturday, October 31st on the AL Facebook page.

Setty-
