

Willow Creek Rd

Existing Water Storage Tanks (to be removed)

Existing Water Storage Tanks (to remain)

Existing Pump Station Building (to be removed)

Work may occur Mon through Fri 7 a.m. to 6 p.m.

Douglas Ave

Douglas Ave

Maintenance Rd

! Please be aware of rough road conditions, reduced speeds, loud noise, flagging operations, lane closures and restrictions throughout the work zone.

The City and contractor will ensure continuous water service to all properties over the duration of the project, however, brief water shut-offs will be required to tie into the City's existing system. Those affected will be notified in advance of any temporary utility interruption. Please remove all stored items from the City's Right of-Way.

For questions and additional project information, please call the **Project Hotline (928) 237-3114**
