Mental Health

Overview:

- Eligibility is outlined in each RFP. CMHLRP application periods for each of the following annually: prescribers, licensed mental health clinicians, and children's clinicians.
- Agencies providing eligible mental health programs apply on behalf of professionals working in their program(s).
- Awards are based on the clinical capacity schedule the professional commits to providing for the duration of a 3-year service commitment.
- Agencies contract with OMH and enter into an agreement with their participating staff for each award.
- Participating professionals complete a 3-year service commitment to the agency.
- Agencies maintain records, distribute funds to professionals per their agreements, and periodically verify continued eligibility.

New in 2025-26:

- Agencies may apply for eligible licensed Occupational Therapists in relevant rounds, first eligible in the CMHLRP 2026 MH Clinicians RFP.
- Agencies may apply on behalf of professionals participating in Public Service Loan Forgiveness (PSLF) with 40+ qualifying payments remaining. First eligible in the CMHLRP 2025 Prescribers RFP.
