

# International Survivors of Suicide Loss Day

## Save the Date November 18, 2023

Each year, AFSP supports hundreds of large and small Survivor Day events around the world, in which suicide loss survivors come together to find connection, understanding and hope through their shared experience. While each event is unique and offers various programming, all feature an AFSP-produced documentary that offers a message of growth, resilience and connection.

This year the Capital Region NY Chapter will be hosting an event specifically designed to help address the needs of Veterans and First Responders who have suffered a suicide loss, as well as the families of Veterans and First Responders who have died by suicide.
