## SOUTH END YARD ART

*Seeking artwork by neighbors for neighbors*

Inspired by the *Public Art Comes to Your Front Yard* project, the **Columbia Hillman Arts & Cultural District** is commissioning artwork by local artists to be printed on yard signs. The **South End Yard Art** signs will be displayed throughout the District – and available for purchase. Up to 5 pieces of artwork will be selected for the first round of signs, and a new series will be unveiled each month as funding allows.

This opportunity is open to everyone: people of all ages and abilities can participate. You do not need to create original artwork, although it's encouraged. Artwork can be digital, a painting, drawing, photo, or quote/phrase with designs.

### Artwork will be selected based on the following criteria:

- The artwork represents the diversity and unique character of the south end;
- The image conveys a positive message and/or has an uplifting feeling to unite our community;
- The design is appropriate for printing on a horizontal 24" x 18" yard sign.

### To participate:

Email images for consideration to [columbiahillmanarts@gmail.com](mailto:columbiahillmanarts@gmail.com); large files can be sent using WeTransfer.com (a free service). Images should be sent as a JPEG, with at least 300dpi. If possible, format images to fit in a 21" x 18" rectangle. The signs will be printed horizontally, with a banner at the bottom for the District and artists' credit.

Selected artists will receive \$200 for a limited use license. To be considered for the first round, send your images by May 31. The deadline for Round 2 is June 21.
