SOUTH END YARD ART

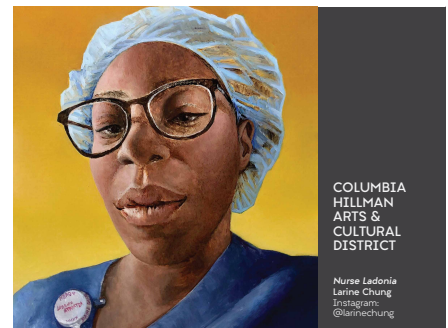

Seeking artwork by neighbors for neighbors

The **Columbia Hillman Arts & Cultural District** is commissioning original artwork by local artists to be printed on yard signs. The **South End Yard Art** signs will be displayed throughout the District – and available for purchase. Up to 5 pieces of artwork will be selected for each series of signs, and new series will be unveiled as funding allows.

This opportunity is open to everyone: People of all ages and abilities are invited to participate. You do not need to create original artwork, although it is encouraged. Artwork can be digital, a painting/drawing/photo, or quote/phrase with designs.

Artwork will be selected based on the following criteria:

- The artwork represents the diversity and unique character of the south end;
- The image conveys a positive message and/or has an uplifting feeling to unite our community at this moment in time;
- The design is appropriate for printing on a horizontal 24" x 18" yard sign.
