

Special Topic Training for Tutors & Staff

## Annual Literacy Forum & Resource Share

The Literacy Forum is our version of a mini-conference. Come to get new ideas on a range of adult education topics, share resources, and meet other tutors and professionals in a fun and comfortable environment! Break-out groups will include topics related to ESL and ABE. All teachers, tutors and coordinators are welcome.

Plus! We are proud to once again host a **resource-sharing table** with peer-suggested textbook recommendations. Bring your own favorite teaching resource so other teachers and tutors can flip through it. You'll be able to take your book back with you at the end of the evening.
