

# Public Charge Policy: Updates

In partnership with the **Illinois Coalition for Immigrant & Refugee Rights (ICIRR)**

Adult educators and colleagues - Join us for this emergency meeting and flash advocacy session about proposed changes to the public charge policy. Learn how this change would affect some immigrants' ability to use public benefits without jeopardizing their eligibility for permanent residency and citizenship. Fred Tsao of ICIRR will discuss details of the changes and their potential impact in Illinois and nationally. He'll answer questions and share important messages for your organization and participants.

The last 30 minutes of this event will be set aside to learn about the 2020 Census and your important role helping get everyone counted!

We invite all adult literacy teachers, tutors and staff to attend. Colleagues from other departments at your agency are welcome to register as well.

*Presented by Fred Tsao, Senior Policy Counsel at the Illinois Coalition for Immigrant and Refugee Rights. In this position, he provides technical support, trainings, and presentations on immigration-related topics to service providers, immigrant community organizations, and others who work with immigrants. He also provides updates and analysis of changes in immigration policies and procedures to ICIRR members and allies, and assists with the coalition's legislative advocacy efforts.*
