Clear Language Lab
a division of Literacy Works

Plain Language Foundations

MAKING FORMS THAT WORK FOR YOU AND YOUR PARTICIPANTS

communicate in ways that are clear, transparent, and actionable

For many, July means a new fiscal year – and a great opportunity to make forms easier to read. In this webinar, you will:

- Identify strategies to make forms easier to read
- Examine examples of effective forms
- Reflect on a form of your own

When: Wednesday, June 10, 2020 virtually at 2pm - 3:30pm CST
Cost: Free

Why Clear Language Lab?

"I absorbed Clear Language Lab's enthusiasm for improving readability."
"Since we have implemented the strategies we learned at the training, our materials are clearer and far easier to use."
"The training was great!"
