

## **Re-Elect Mary Waters to Community Council 14 Sub area 144**

- Incumbent and chairperson of Community Council 14/Redland
- Attends County Commission, Planning Advisory Board, community and state meetings to stay informed and fight for M-D County residents
- Keeps up to date on county wide issues and most knowledgeable in local affairs that will impact our neighborhoods with background in agriculture and certified property appraiser

### Current and Future Philosophy

- Development must be SMART development with essential infrastructure
- Development should not be rubber stamped
- Development should be based on its impact to the area and neighbors
- Address existing and future infrastructure needs
- Support sustainable agriculture and ancillary business
- Support holding the Urban Development Boundary line
- Advocate for the best interest of all county residents
- Preservation of the environment especially drinking water/aquifer

### Re-elect Mary K. Waters

Her only special interest group is you her neighbors in South Miami Dade! She will look at new zoning applications with a trained eye and accept only SMART growth that does not adversely impact our community. She will speak up for us and support agriculture. We need her strong voice and knowledge, along with your support at the polls, to keep moving in the right direction.

**Vote August 18 to re-elect Mary K. Waters No. 436  
Community Council 14 Sub Area 144**
