On the Eve of Destruction: The Warsaw Ghetto on Erev Tisha' b'Av, 1942: 2:45pm: After almost two years in the most difficult conditions, the vast majority of Jews in the Warsaw Ghetto were nonetheless still alive. Yet, over the next three months, the overwhelming majority would be killed. This is the story of the remarkable survival, and then ultimate destruction of the largest Jewish community in Europe. Virtual lecture by David Bernstein, Dean Emeritus of the Pardes Institute. Once you register, you will receive the link to the Zoom program. Register for the program at www.tinyurl.com/LSSTBav.

LSS Film Presents: Reckonings: 6:00pm: They met in secret to negotiate the unthinkable – compensation for the survivors of the largest mass genocide in history. Survivors were in urgent need of help, but how could reparations be determined for the unprecedented destruction and suffering of a people? Reckonings explores this untold true story set in the aftermath of the Holocaust. Directed by award-winning filmmaker Roberta Grossman, Reckonings recounts the tense negotiations between Jewish and German leaders. Under the constant threat of violence, they forged ahead, knowing it would never be enough but hoping it could at least be an acknowledgement and a step towards healing. Location: Ballroom.
