THANKING OUR STAFF

★ EDUCATOR APPRECIATION WEEK ★

MAY 4-8, 2020

While we often thank our teachers every day, it's during Educator Appreciation Week when we like to pause and really show our love for the educators and school staff members in our lives. We encourage you to tell your teachers and school staff members how much you...

Love how they encourage you in special ways

Like what's happening in their virtual classroom

Celebrate their achievements with students

Care about their commitment to students and families

WE INVITE YOU TO

- Email heartfelt letters, cards and messages of appreciation
- Create artwork, poems and video messages to celebrate your teachers
- On Thursday, upload a **#TBT** of you and your favorite teacher and school staff members and thank them using **#ThankATeacher** on our Facebook page **@blaineschools**
