

# Young Farmer Feeds the Homeless

The MJC Young Farmer club went to the Modesto Gospel Mission on Thursday, November 21.

The students and the advisors helped to serve food and talk to the people who came in for the free meal. There were two dinners that the MJC Young Farmer group sponsored. In between the two dinners, the Young Farmers were shown around the Gospel Mission and toured the programs that are offered to people that want to better themselves and their lives. The Young Farmers were able to see how fortunate they are.

The next Young Farmer meeting will be on Thursday, December 12 at 6 pm in the ACE Pavilion. There will be a dinner, dessert potluck and an Ugly Sweater contest! We hope to see you there!
