

70th Annual Farm Supply Dinner

On Thursday, November 14, the MJC Animal Science Department served dinner at the 70th Annual Farm Supply dinner. The dinner took place at the Stanislaus County Fairgrounds. At the event there were approximately 450 guests in attendance. The MJC students and staff prepared a dinner of mashed potatoes, salad, garlic bread, chicken and tri-tip. Students served both dinner and desserts to the guests. Once the dinner was complete, the students bused the tables. MJC Agriculture and Environmental Science also had its booth for the guests to learn more about the programs that the Agriculture department has to offer.
