ICC Rep – Elizabeth Merenda

This semester's Young Farmer officer team had a great weekend visiting San Francisco! They were able to bond going to various tourist points within San Francisco like; Coit Tower, a Civil War preservation, the Golden Gate Bridge, and an escape room! The officers had a very extraordinary experience staying in a hostel overnight, where they also planned for the new semester. This semester's theme is to "**Tower Above the Rest**"! Our first meeting is February 20th, 2020, and we will be hosting a Drive-in movie at the ACE Pavilion, so make sure to save the date! Also, if you have not yet become a member, you can sign up in the ag office for a \$10 fee. Not to mention, if you are interested in buying young farmer merchandise, it is going to reopen soon, so keep an eye out on social media as we will be posting updates. We look forward to a great semester!
