

HARVEST PARTY 2019

On Saturday November 9th, The Harvest Party at the Pavilion was held as a fundraiser for MJC Agriculture Department's student programs. This was a community event that brought together MJC Ag Alumni and friends with over 550 attendees. MJC faculty, staff and students put this event on to bring together the amazing community that surrounds MJC AG and continue to support the school and the education of the students as a whole. The event took place at the Pavilion where event goers enjoyed a steak dinner, live and silent auction, and a local band to wrap up the evening. A special thank you to all who donated the amazing desserts. This was a great event that brought the community of MJC together. Thank you to all the supporters that help make events like this a success.
