**PRESS RELEASE – *For Immediate Release***

**MJC students at California State FFA Convention**

(Modesto, CA) – Modesto Junior College sent 9 agriculture students and three instructors to the California State FFA Conference, held April 26-28, 2019 in Anaheim, California and there were over seven thousand FFA members present at the conference. The MJC students prepared a booth for Modesto Junior College Agriculture Department, this booth was very interactive with the high school FFA students to help recruit new members for MJC. Not to mention, there was a photo booth where FFA members could take pictures with their friends for a fun picture that we would print out for them, hang it on our picture wall, and they could return later to get the picture to keep for themselves. Then, students were also able to interact with a ‘Kahoot’ game which the FFA members could access from their phones and answer questions about MJC and the agriculture industry to win fun prizes. There was also information about MJC and what we offer and all of our opportunities set out for the FFA members to take with them, along with the MJC students answering any questions, and reaching out to students.

The students were accompanied by their team advisors and Coaches Lori Marchy, MJC instructor of agriculture, and Troy Gravatt, MJC instructor of agriculture “[Our MJC agriculture students impress me every time we take them to an event and this time was no different.](#)” For more information on MJC’s agricultural programs visit [www.mjc.edu/instruction/agens](http://www.mjc.edu/instruction/agens) or call (209) 575-6200.
