Volunteer Opportunities for the Day of Service
San Gabriel Presbytery - June 13, 2026
Westminster Presbyterian Church, Pasadena

1. **Help Build a Habitat for Humanity Home in Altadena for an Eaton Fire Victim**
   If you haven't signed up for the Habitat for Humanity Build yet, there is still time! Please use the following link to sign up on or before **June 1**. No experience necessary.

2. **Put Together Hygiene Kits for L.A. General Hospital Patients**
   Join L.A. General Hospital Chaplain Stephanie Kang to learn about the chaplaincy program and who receives the hygiene kits and then put the kits together. There will be note cards on hand, so that volunteers can write short notes of encouragement that will be put into each kit. No need to pre-register for this. It will take place at Westminster Presbyterian Church, directly following the Presbytery meeting.

3. **Volunteer at Door of Hope's Iris's House**, 669 N. Los Robles Ave, Pasadena
   We need **4-5 volunteers** to help with some light gardening. A couple of flower beds need some tending - a little weeding, removing a volunteer plant or two, and trimming the plants they want to keep. There is also a vine growing on an adjacent fence that needs a little pruning. Volunteers should bring their own gloves and clippers, if they have them. **Sign up in advance by emailing** ericka@sangabpres.org

4. **Attend a Workshop on Knowing Your Rights and Accompanying Others**
   Join Immigrant Accompaniment Organizer Wendy Gist to learn about the rights we have when encountering immigration enforcement at church or in public. Learn what churches can do to protect themselves and their people and how we can accompany the vulnerable. She will also help connect us to actions we can take, organizations serving immigrants and refugees, and resources. Wendy will be leading this workshop at Westminster Presbyterian Church directly after the Presbytery meeting.
