Dear Upper School Parents,

Our goal is for a fun and rewarding summer while teaching leadership and responsible citizenship in society by developing and nurturing the whole individual – mind, spirit, and body – through integrated programs that emphasize the cultivation of character. We look forward to a summer full of fun, with a purpose.

The unit counselors provide intentional support and ensure that your child is safe, cared for, and enjoy their summer. You will receive e-newsletters from your child's counselor on a regular basis. If you have questions, or in case of emergency, please call your son or daughter's counselor first. Their contact information is as follows:
