Dear Woodcraft Patrons:

Thank you for sharing your child with us this summer. Our goal is for all campers to have a safe, positive and memorable experience.

With questions concerning permits, housing or general activity and participation, please call your son or daughter's Division Commander or Wing Commander. They are the staff most closely associated with your camper. Please note that staff members are often teaching or with their units, so they will respond as soon as possible.

In case of emergency, contact the Division Commander or Wing Commander or Woodcraft Headquarters at **574-842-8400**.

Their phone numbers are:
