Recipients of these awards are selected based on their outstanding leadership and mentorship skills.

Looking ahead to the 2024/2025 academic year, Apex Distribution Inc has committed to providing another three (3) \$2500 Indigenous Student Achievement Awards and Bursaries. This funding will support full-time Indigenous students at Keyano College, with one (1) recipient selected for academic excellence and two (2) for financial need to aid in completing their post-secondary education.

An additional three (3) \$1000 Indigenous Student Achievement Trades Awards will once again be available for Indigenous students enrolled in any trades programs, including apprentice programs, haul truck operator, and heavy equipment operator.

It is our goal to help promote educational opportunities and empower Indigenous students to succeed in their academic endeavors. Investing in students pursuing their post-secondary education helps to support the various industries that propel our business forward, which in turn enables us to provide such initiatives. The scholarship fund reflects Apex Distribution Inc.'s commitment to fostering equal access to education for all.

Through collaborative partnerships with local organizations, schools, and the community, we strive to create a supportive network that nurtures the academic and personal growth. We believe that education is a powerful tool for change and that by investing in these bright minds, we are investing in a brighter future for all.
